

## Milo Mirror

---

For the client who loves a bit of drama. Reclaimed driftwood is pieced together to create the Milo's impressive frame. Antique gold leafing gives it over-the-top glamour- whitewashing highlights the natural grain, making it an ideal piece for a beachside property or a coastal home. This mirror has a thick organic frame with an approximate 7" depth. Natural variation to be expected. With any natural wood item please expect variance in color and character of wood. It is normal for small cracks or openings to appear in the wood over time.
